

Our team has over 22 years of collective experience in delivering high quality work in all matters relating to Conveyancing. The team has particular experience in Residential Freehold and Leasehold purchases and sales. Re-mortgages, Equity Release, Auction Sale and purchases as well as complex Commercial Leases, Help to Buy Isa's and Deeds of Variation.

We have three members of the team who may work on your matter. Regardless of who works on your matter, they will be supervised by Jane Mackenzie, Solicitor and Head of the Conveyancing department.

Jane Mackenzie – Director & Solicitor

Jane gained a LLB Honours Degree in Law by way of home studying during her previous employment. Jane joined the firm in 2002 as a Trainee Legal Executive and qualified as a Fellow in 2007. Whilst qualifying as a Fellow, Jane also undertook the Legal Practice Course part time and qualified as a Solicitor in 2008. Jane became a Partner in 2010.

Jane has 16 years legal experience, with 11 of those years being in conveyancing. Jane is the head of our team, specialising in all aspects of residential conveyancing and commercial matters. Jane also deals with the more complex aspects of a transaction.

Andria McGee – Conveyancing Assistant

Andria started with this firm in 2014 as a Secretary in the Conveyancing department. Andria has progressed her career with the firm since then and is now a Conveyancing Assistant.

Andria specialises in dealing with residential freehold and leasehold sales and purchases and Commercial leases. Andria also deals with various local Management Companies in relation to blocks of flats. Andria is also experienced in exchanging contracts and completions as well as Help to Buy Isa's.

Linzi Crine – Personal Assistant

Linzi joined the firm in 2015 having worked in a legal Conveyancing team for the previous 6 years. Linzi, assists with various aspects of the conveyancing process including providing fee estimates at the start of a transaction. As Jane's Personal Assistant, Linzi keep clients informed of progress of matters and deals with general day to day queries.
